

GLENN COUNTY AIRPORT ADVISORY COMMITTEE

(530) 934-6530 (530) 934-6533 (FAX)

AGENDA ITEM

ISSUE:

Request to utilize the Airports for various events/uses.

BACK-UP: N/A

BACKGROUND:

Staff has received a few requests for use of the airports. One request was made by enthusiasts who requested the use of either of our airports in order to hold some remote-controlled aircraft events.

Another request was made by a local couple who requested that we consider renting the FFA barn for a monthly horse auction. Staff has requested a business plan and is investigating the logistics.

A more recent inquiry requested permission to store some hives on the airport property in Orland.

Staff is requesting the Committee's thoughts about such requests that could provide additional revenue for the Airports.

ACTION REQUESTED:

Provide direction to staff regarding Committee preference on how to proceed with future requests.
