Re: Receipt of Complete 5-Year CIWMP Review Report

Dear Ms. Kleykamp:

I am writing in regards to the adequacy of the Glenn County Waste Management Regional Agency 5-Year RAIWMP Review Report (Report) submitted to the California Department of Resources Recycling and Recovery (CalRecycle) on March 10, 2010. The purpose of this letter is to notify you that CalRecycle staff has reviewed the Regional Agency's Report and find that it meets the requirements of Public Resources Code (PRC), Sections 41770 and 41822 and Title 14, California Code of Regulations (CCR), Section 18788. Accordingly, CalRecycle staff is preparing a recommendation for management's consideration for approval of the Regional Agency's Report findings. It is anticipated that an update on this item will be included in the agenda for CalRecycle's Materials Management and Local Assistance Program monthly public meeting on June 9, 2010. Formal written documentation of this finding will also be sent to you for your records and reference shortly thereafter

If you have any questions about this letter or the 5-Year RAIWMP Review process, please contact me at (916) 341-6604 or cindi.rumenapp@calrecycle.ca.gov.

Respectfully,
